## Actress Jennifer O'Neill will “Walk for Life” on the West Coast

*O'Neill also to participate in “Silent No More Rally” before the Walk on January 26, 2013*

SAN FRANCISCO, January 7, 2013 – Internationally acclaimed model, actress, film and television star, spokesperson, producer, author, fundraiser, proud mother of three, **Jennifer O'Neill** is one of a kind. With thirty-five plus feature films, numerous television movies and series to her credit, Jennifer is the first to tell you she is truly blessed.

However, there is more to her story: for years, **Jennifer O'Neill**, who seemed to “have it all,” suffered from severe depression due to an abortion she had in her early twenties. After years of suffering, she found hope and healing through her faith in Jesus Christ.

**Jennifer O'Neill** is now the national spokeswoman for the *Silent No More Awareness Campaign*, a campaign whereby Christians make the public aware of the devastation abortion brings to women and men. The campaign seeks to expose and heal the secrecy and silence surrounding the emotional and physical pain of abortion. Jennifer will be joining others in the *Silent No More* rally prior to the Walk for Life West Coast on January 26, 2013.

Jennifer explains, “There has never been a more critical time to support the pro-life movement, protect the rights of the unborn, and make known the truth about the devastating aftermath of abortion not only for the babies, but for women and families affected by such unimaginable loss. If you're not sure where you stand in regard to LIFE, please join us for the 9th Annual Walk for Life West Coast in San Francisco on January 26th, 2013! There you will hear testimonies from those who have suffered from abortion, and have received hope, healing and grace in Christ Jesus. I believe *experience overrides theory* ... learn the *truth* about the *sanctity of life*. Please join us!”

Founded in 2005 by a group of San Francisco Bay Area residents, the Walk for Life West Coast's mission is to change the perceptions of a society that thinks abortion is an answer. Walk participants are expected from throughout the Bay Area and across the United States and Canada.

On January 26, 2013, join actress **Jennifer O'Neill**, and tens of thousands of pro-lifers at the 9th Annual Walk for Life West Coast. The day kicks off with a 9:30 AM Mass at San Francisco's St. Mary's Cathedral. The Walk for Life Rally begins at 12:30 PM at the city's Civic Center Plaza, followed by the Walk for Life down Market Street, at 1:30 PM.
