## Inspiring Speaker Patricia Sandoval to share personal testimony at the “Walk for Life” in San Francisco

**San Francisco, January 11, 2019** –The 15<sup>th</sup> annual Walk for Life West Coast will be held on Saturday, January 26, 2019. Tens of thousands of people are expected to participate in the Walk and its associated events.

The Walk will host a number of dynamic speakers, including former Planned Parenthood worker turned international pro-life, pro-chastity speaker, and host of EWTN’s “De Dos en Dos”, Patricia Sandoval. Ms. Sandoval’s personal testimony is sure to keep the Walkers riveted as they listen to how she fought her way back from abortion, drugs, and homelessness, to find help and healing through Jesus Christ. Patricia has since dedicated her life to speaking up for the unborn, desiring to be a voice for the voiceless.

Ms. Sandoval grew up in a loving household, but her life spiraled out of control after the pain of her abortions sent her into a pattern of self-destructive behavior. Patricia, a former Planned Parenthood worker, would find herself at rock bottom when healing finally came through her calling out to God for help.

“Defending Life and being Pro-Life is for us one of the greatest investments, because when one baby is saved from being aborted a whole generation could be saved through that baby’s life”, explains, Ms. Sandoval. “One life could equal thousands of lives saved, hundreds of generations saved.”

Hoye II**, Founder and President of Issues4Life Foundation and subject of the new book, *BLACK AND PRO-LIFE IN AMERICA*; and **Father Shenan Boquet**, President of Human Life International.
